DETAILED ACTION

Applicant's Response Dated August 25, 2006

1. Claims 1-8 and 10-19 are pending. An action on the merits of claims 1-8 and 10-19 is contained herein below.
2. The rejection of claims 1-8 and 10-19 as being based upon a defective reissue declaration under 35 U.S.C. 251 has been rendered moot in view of applicant's submission of a supplemental oath dated August 25, 2006.

Claim Objections

3. Claim 13 is objected to because of the following informalities: the term "said isoflavone" is objected to. Claim 13 ultimately depends from claim 11 wherein said term is not used. It is suggested that applicant amend claim 13 to recite the phrase "said phytoestrogens are". Also, the period should be removed from the term "mg.". Appropriate correction is required.

Claim Rejections - 35 USC § 112

4. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.
5. Claims 3-8 and 13-19 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Claims 3-8 and 14-19 recite the limitation "said phytoestrogen" or "the phytoestrogen". There is insufficient antecedent basis for these limitations in the claims because the claim(s) from which claims 3-8 and 14-19 depend recite multiple phytoestrogens. It is unclear which phytoestrogen is referenced by "said phytoestrogen" or "the phytoestrogen".

Claim 13 recites the limitation "said isoflavone". There is insufficient antecedent basis for this limitation because claim 11 recites multiple phytoestrogens (isoflavones).

Oath/Declaration

6. If applicant sets forth additional amendments or corrections, in accordance with 37 CFR 1.175(b)(1), a supplemental reissue oath/declaration under 37 CFR 1.175(b)(1) must be received before this reissue application can be allowed.

Conclusion

7. Claims 1-8 and 10-19 are pending. Claims 3-8 and 13-19 are rejected. Claims 1-2 and 10-12 are allowed.
